

NAYA and Portland Public Schools HEAD START

HEAD START IS A FREE PRESCHOOL PROGRAM

Are you interested in a preschool program for your young child? We are now accepting applications. Children must be 3 or 4 years old on or before September 1st. Four year olds are selected and enrolled first.

Head Start is a federal and state funded program for low-income families and for children with disabilities or special needs.

- The classroom will incorporate Native American cultures, traditions and the NAYA core values, (Respect, Balance, Pride, Giving, Community, Tradition, Kindness, Accountability, Diversity and Leadership).
- Your child will receive an excellent preschool experience and your family will receive assistance and information for health and social service's needs.
- Head Start encourages parent involvement at all levels. We want you to be an active parent. Your child will appreciate it too!
- Assistance with Tri Met transportation may be available.
